

You must submit the following documents with each new application for maintenance support:

The application filed this month applies to the following month.

(Ex: An application for maintenance support for January 2021 must be submitted in December 2020.)

- **Account overview**, from all the banks where you have accounts.
- **Account statements**, for the last 3 months from **all** your accounts in **all** banks where you have accounts. This also applies to closed accounts.
- **Specifications** for all income from, e.g., salary specifications and payments from the Swedish Social Insurance Agency and unemployment insurance funds (A-kassa), for the previous three months.
- **Funds/Shares**: A list of these for the previous three months. This also applies to closed accounts.
- **Tax return or declaration certificate**; all pages must be attached. For information about your tax return, contact the Swedish Tax Agency at 0771-567 567.
- **Decisions** from the Swedish Public Employment Service, the Unemployment Insurance Fund, A-kassa, and CSN, if they exist.
- **The Swedish Public Employment Service**; current planning if you are a jobseeker.
- **Rental contract** and complete rent receipt with complete invoice.
- **Sub-letting contract or lodging contract** with complete rent receipt and receipt for the last rent payment.
- **Condominium or owned house**: Sale documents, information about loans, interest, amortisation and monthly fee payments to, for example, the housing association/co-operative.
- **Medical certificate**, if you are on sick leave.
- **Study or job certificate**, if you are studying or working.
- Decision regarding **residence permission** from the Swedish Migration Agency.

- **Invoice/documentation for the expenses** for which you wish to apply for support, such as electricity bills, rent, home insurance, trade union fees, child care, etc. **PLEASE NOTE!** Submit all the pages of the invoice.
- When applying for support for **medication costs**, the prescription specification must be submitted.
